Cell Phone and Music Usage Guidelines:

Students are allowed to bring their phones, but we ask that they do not call, text or get online (TikTok, Snapchat, Instagram, etc.) while at SuperStart sessions and small group time. When it is free time, they can use their phones. We ask that they be fully present with the group. If a student's phone becomes a distraction we will ask them to put it away. During serious times, they need to keep them in their pockets. If a student breaks our trust by using their phone during serious times, we will take it away from them until we arrive home on Saturday. We want them to be fully present with the group this weekend because we do not want them to miss anything. This trip is very powerful for your kids. Please try to limit texting your kids to only after 10:00pm Friday and after 3pm Saturday. We also ask that they only listen to music when they are in the vehicle and if they need help sleeping.

If you have any questions, call Zach at the Church @ (217) 732 - 7618 or email Christi.Wells@LincolnChristianChurch.org.

Blessings,
